BOY SCOUT "WHITEWATER" MERIT BADGE

SPECIAL OFFER

We at Kayak Adventures, in cooperation with the Otetiana Council Inc., BSA have developed a program that will enable your Scouts to quality for the "Whitewater" Merit Badge. In qualifying your Scouts will learn valuable information about river safety, the importance of teamwork, show a significant gain in self esteem, all while learning the essentials of "Whitewater" Kayaking as it is outlined in the Merit Badge program book. Kayaking offers many lifetime options, from purely recreational to a variety of competitive venues. The total cost of the program is $75 and includes instruction and equipment. Art Miller, the Director of Kayak Adventures, a certified Merit Badge Counselor, supervises all programs. He has been teaching Kayaking at local high schools and colleges for many years. He is a Certified ACA Kayak Instructor and a Certified Olympic Development Coach by USA Canoe and Kayak.

You are invited to visit our Website, WWW.kayak-Adventures.org, and view the Boy Scout Merit Badge Requirements document. All programs are done on flat water and slowly moving water. The level of difficulty is challenging enough to require that the Scouts need to concentrate on learning their skills, but well within the reach of all that apply themselves. Every precaution regarding Safety is made to assure that all students have an enjoyable and safe experience. The primary focus of this program is to lay the ground work for a lifetime of safe responsible fun on the water. All programs start at Monroe Community College and conclude at Rochester Canoe and Kayak Park.
